They launched a terrific barrage fire near Denicourt tho the French made no effort to attack during the night and did not leave their trenches until the following day. following day

TOPERA MARKETS AND BUTCHERS.....\$8,0049.6 Democrats at Meeting.

The Women's Party in Kansas working for the election of Candidate Hughes did all the damage it could at the Marshall meeting at the auditorium Wednesday night. Miss Marian DeVilbiss, Miss Edna Hopkins and Miss Katherine Morey with several others stood outside the door and presented the Hughes literature to the Democrats and Republicans alike as they stepped from the auditorium. According to reports given out at the Women's Party headquarters the tactics of the out-of-state suffragists almost caused a near panic among the Democrats. The damage done, however, was not so great as to call for any attention's being paid to the women's tactics, on the part of the county or state committees.
